

# You Are Invited!

The International Falls-Koochiching County Airport Commission invites you to a public open house for the Building Area Study. We hope you can join us!

## Public Open House **BUILDING AREA STUDY**

 Tuesday, August 23, 2022

 6:00-7:00 PM – 6:15 Presentation

 Falls International Airport (Terminal Conference Room)  
3214 2nd Avenue E, International Falls, MN 56649

The airport is completing a focused master plan to evaluate the condition and adequacy of INL's existing building area facilities, produce 20-year activity forecasts, provide recommended facility improvements, and prepare a 20-year implementation plan for the airport.

Join us to learn about the study's recommendations and the airport's long-term plan. Airport commission members and the airport engineer will be available to answer questions and take comments.
